

CAP G1000 Ground School

Civil Air Patrol (CAP) ground training and simulator scenarios on the Garmin G1000 for both VFR & IFR operations. Please note: this course is available only to CAP members, for additional information, please contact Todd Cameron at 585-281-3738, tcameron@kriterium.com. Please pre-register to ensure your WINGS credit.

Directions: Please see the map link for driving directions.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
